ALL'ILLVSTRISSIMO  
SIGNORE IL SIG.

**GIOVANNI**

REHINARDO

Conte di Hanau & Sig. di Liechtem  
burg. mio Sig. offeruand.

Edendo quanta sia  
la diletatione, & di  
ligenza della natiō  
vostra Illuſtriff. mo  
Signor mio, nel far  
dipingere in carte non solo impre

I se,

se, ma anchora habiti di diuerse nationi, mi fece li giorni passati entrare in pensiero di raccogliere un libro, giudicando per questa uia, grandimente compiacere à cotesta nobilissima natione, & perche fù sempre costume di coloro, che le loro compositioni mandano in luce di dedicarle ad huomini, che ne possano far giudicio, ò uero à quelli che con lo splendore del nome loro le facciano hauer maggior credito & reputatione, ho uoluto la medesima usanza offeruare anchor io in questa mia fatica (qual ella sia) di mettere insieme questi disegni, o ritratti, & non trouando à cui

meglio,

meglio la possa o debba raccomandare, & dedicarla, che a V. S. Illustrissima ho uoluto publicarla per mezzo delle stampe, sotto l'honoratissimo nome uostro, mosso dalla fama del ualore, & molta uirtù di Vostra Signoria Illustrissima sperando che cio debba accrescerle ornamento, & desiderando insieme con questo dono, anchorche debile, mostrare la mia deuotione uersò lei, alla quale desidero principalmente ch'ella riguardi piu che all'opera che presento; perche conosco, che non è degna dell'altezza del suo bellissimo animo, se non quanto le piacerà degnarla con la

tua

sua benignità, in gratia della quale  
humilmenre raccomandando-  
mi, bacio la mano di V. S. Illustris-  
sima & le prego da Dio ogni feli-  
cità, & grandezza.

Di Padoua li XX. Feb. 1591.

# NOBILITATE GENERIS,

Strennuo ac omni Virtutum laude  
Grauissimo Viro Domino VVol-  
gango Ludouico ab Hutten,  
Equiti, Franco:  
pro tempore Inclytæ Germanicæ Na-  
tionis, facultatis Iuridicę Con-  
siliario Dignissimo:

S. P. D.

Icet nulla mihi cum tua præ-  
stantia intercedat neces-  
sitas, Vir nobilissime, mul-  
ta tamē mihi psuasērūt ut  
hanc ad te scribendi occa-  
sionem arripiam. Impulit  
me in primis antiquissimæ  
tuæ familiæ dignitas & am-  
plitudo,

plitudo, Virtutum, ac integritatis Vitæ splendore  
& licet hæc omnia sint conspicua & in confesso  
omnibus, accedunt tamen alia maioris momenti  
quasi, quæ conceptam de te opinionem penitus  
confirmant. Nam cum sciam Inclytam uestram  
Nationem rebus suis benè & constituendis & ge-  
rendis te unicū sibi Consiliariū ac fidelem patro-  
nū elegisse: credendū profectō est, te uel nobilita-  
te, uel Virtutibus, Doctrina, & multo rerū usu alius  
posse præferri: Quamvis non desint quāmpluri-  
ma alia inter uestros proceres, uestre inquam  
Nationis, fœcundissima & politissima ingenia.  
Alia & magis forsitan euidentior ratio, qua im-  
pulsus, hunc de uario, uariarum gentium, habitu  
& ornatu libellum tibi dicarem hæc est: Reperi-  
untur uaria hominum ingenia, quod uni placet,  
multis displicere solet. Deinde & hoc accedit, qđ  
his peruersis hominum moribus, adeo quorun-  
dam delicatæ sunt aures, ut nihil nisi quod sum-  
mo studio elaboratum, & omnibus numeris suis  
sit absolutum, audire uelint, & si quid ab illa sum-  
ma perfectione absit, statim tanquā ineptum, ru-  
de & impositum, nullo prorsus adhibito iudicio,  
uel animi æquitate, turpiter cauillentur non abs-  
quē summa existimationis læsione, & bonarum  
artium iactura, cum minimè aduertant, nunquid  
idem quoquē utile sit, quod adeo ornatum esse uo-  
lunt.

lunt. Propterea patrono mihi aliquo esse iudica-  
bam, qui si fortè labor meus in calumnias male-  
uolorum, quasi scopulum quemdam incurrat, uin-  
dicare me à crimine, uelut naufragio, posset. Ete-  
nim hæc ætas nescio quò fato ad carpendum e-  
tiam ea, quæ à multis rectè facta sunt, quā ad  
laudandum ac imitandum propensior est, adeo  
ut ne summis quidem artificibus parcat. Ad hanc  
igitur causam, te Virum nobilissimum, defensorem  
& uindictam mihi delegi. Nam illi, quibus aliquid  
publici muneris teste Cicerone commissum est, nō  
solum bonam causam tueri, atq; defendere de-  
bent, uerum etiam facta & consulta bonorum  
cum improborum ignominia sempiternis momē-  
tis laudare. Accipe itaq; Vir Nobilissime, pro tua  
in bonas artes humanitate, ac beneuolentia hilari  
fronte hoc quicquid est muneris. Scio equidem  
leuidensæ esse munus: sed cum audiuerim, Artaxerxi,  
Persarum Regi cognomento Mnamomi, agrestem  
quendam haustam è proximo flumine aquam caua  
manu obtulisse: neq; ab eo reiectum, sed comiter  
acceptum, nihil addubito quin hæc mea, qualiacunq;  
sint, tibi non minus grata futura sint. Quæ mei  
erga te animi, ueluti arrhabonem qualemcunq;  
mitto, dedico, consecroq; dein de si quæ maiora  
aliquando & magis elaborata, ætas protrudet,  
illa etiam felici tuo nomini inscribentur;

bentur; modo hos labores tibi non displicuisse  
animaduverterim. Vale feliciter annos Nesto-  
reos, Vir Nobiliss: & singulare tuæ familiæ decus  
& ornamentum. Patavij, idibus

ALL'ILLVSTRISSIMO  
SIGNORE,

Il Signor Giorgio Hartman  
Barone di Teuffenpach,  
Sig. in Mairhofen &c.  
padron mio col.<sup>mo</sup>

**H**Auendo veduto per esperienza, che la fatica ch'io presi gli anni addietro di raccorre insieme gli abiti di varie nationi, non e riulecita ingrata a coloro che si diletmano di tal genere di nobile curiolita, mi sono ogni di piu inanimato ad inuestigar continuamente, & procurare di non tralasciar cosa degna, ch'io non des si loro rappresentata con quella diligenza, che per me si potesse, maggiore. Onde trovandomi in processo di tempo hauer mes-

Io insieme questo nuouo uolume, & parendomi peruenuto a sufficiente grandezza, mi e parso di non differir piu a mandarlo in luce; con speranza, che debba essere gradito, & riceuuto tanto piu uolentieri, poiche porta non solo uarieta d'habiti non contenuti nell'altrè parti prima stampate si da me, come da altri, che hanno cercato d'imitar in qualunque modo la mia industria; ma notitia ancora d'usanze, & diletteuole a spiriti gentili, & non inutile forse a tirar in imitatione & in uso, che finalmente e principal frutto della peregrinatione. Ma per acquistargli tuttaua gratia maggiore, ho uoluto maderlo fuori segnato con l'honoratissimo nome di V. S. ILLVSTRISSIMA, non solo persuaso dalla nobiltà della sua famiglia chiarissima & per gloria d'armi, & per ogn'altra uirtù conueniente a Signori di gran fortuna; ma indutto ancora dal valor proprio di lei stessa. La quale come che sia riguardeuole in questo nobilissi-

mo studio per le dette cagioni, essèdo massime fresca la memoria dell'Illustrissimo Signor suo Padre Presidente del Consiglio di guerra del Serenissimo Arciduca Carlo, & ribombando tuttaua da per tutto la fama della singular uirtù del Signor Christophoro Baron de' Teuffenpach suo Cugino, General al presente nell'Vngheria superiore, il quale in un'anno solo ha condotto a glorioso fine tante segnalate vittorie & el pugnationi contra infedeli: le doti nondimeno di lei proprie sono tali, di gentilezza, di magnanimità, di splendore, di prudenza superiore all'età sua, che assai chiaro testimonio danno, V. S. Illustrissima esser amata da Dio, & degna insieme della riueranza di chiunque la conosce. Per la qual cosa si come non dubito, che non debba esser approuato & lodato il mio consiglio di dedicarle il presente libro, così spero, che V. S. Illustrissima sia secondo l'humanità sua per riceuerlo benignamente, come la pre-

go, risguardando nō 'tanto alla qualità del  
dono inferior assai al merito di lei, quanto  
alla deuotione dell'animo, con che le  
uien offerto. & humilmente le  
bacio la mano con augu-  
rarle da Dio pro-  
sperita.

Di Padoua il Primo di Feb. 1596.
